PACKING LIST

DRESS CODE

Recreation during Kids Camp is often messy! Our camp staff has zero desire to be the dress code police, so we have some basic, general guidelines that we encourage everyone to follow! Please remember: clothes and shoes will get wet, possibly muddy, and generally messy - for this reason please do not send expensive clothing.

- Older, casual play clothes and shoes are needed.
- Tank tops are okay, as long as they are not spaghetti straps, and as long as they don't hang open low on the sides.
- Shorts - for girls, the finger tip rule is a good one to follow (when the child's arm is hanging straight down on their side if their shorts are at, or below, the tip of the finger then they are generally long enough). For boys - generally boys shorts are long enough.
- For services what is worn during the day is acceptable. We just ask that you dress modestly.
- Shoes must be worn at all times, including to and from the pool, as regulated by the state insurance board.
- Cover clothing must be worn to and from the pool and lake.This includes boys and girls
